As you can see, these goals represent a challenge to each of us. It almost goes without saying, that apart from a cooperative effort on the part of everyone, these goals will not be met. The spirit and attitude which must exist is this; GOD WANTS HIS CHURCH TO BE HEALTHY AND TO GROW! He wants the lost to be found, the unchurched to be reached, and believers to be fed. He is depending on us to do the job! Let us at LCBC rise to the occasion and meet these goals for the glory of our great God!
